### A Variety of Features

#### Large 2.0-inch Colour LCD & Icon Menu

The large 2.0-inch colour screen is easy to read, while the icon-based menu screen lets you access functions without confusion.

#### 14 Polyphonic Ringer Melodies (32-Chord) / 6 Ringer Tones on Handset

Instead of unpleasant monophonic ring tones, you can hear a high-quality ringer melody when there's an incoming call.

#### Hands-Free Speakerphone on Handset

You can talk on the phone without taking the handset. Convenient for talking while doing something else.

#### 200-Name & Number Phonebook

Up to 200 names and numbers can be stored in the handset's built-in memory for quick and easy access.

#### Caller ID with 50-Name\*1 & Number Call Log\*2

Caller ID displays the caller's name and number, and up to 50 call logs can be stored in memory for a quick recall.

#### Night Mode

The handset can be programmed to prevent ringing during specific time periods, so you will not be woken by the phone.
